

Another Informative Seminar with PDK Tower! (Early afternoon session)

This is the first of two identical pilot/controller forums presented by the PDK tower personnel on Wednesday, Nov 7th. This session begins at 1:00 PM and will conclude at 2:30 PM.

Seating capacity increased to 50 seats! You are invited to participate in making YOUR airport a better and safer place to operate. Discussions will include: operations, moving on the taxiways and runways, direct pilot notification technologies, current trends in surface incidents, and communications with Air Traffic Control (ATC).

Directions: Enter PDK airport from Clairmont Rd. Proceed toward the end of Airport Rd turning left onto Aviation Way. Follow signs to Airport Admin Building. Meeting will be held in Room #227. Please consult "Preview Map" link below.

A message from the National FAASafetyTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
